Why Parents Choose Ehtiwa

Gentle AI Insights

Our AI uses soft, playful language to explain observations and data in a way that feels supportive, not clinical.

Personalized Plans

Every child is unique. We generate custom weekly activities tailored specifically to your little one's current needs.

Community Care

You are not alone. Connect with a village of parents sharing similar journeys in a cozy and safe environment.

Capture the *Moment*

Every small milestone is a big step. Share a video to help us understand your little one's world better.

Calm Mode | Pro View

Upload Zone

Stage 1: Observation

Capture or Drag Video

Drop your little cub's clip here or click to browse your gallery.

MP4, MOV supported | Max 200MB

Privately Protected

"I'll keep this video safe and sound in our secure den! Only you and our certified specialists can peek."

Add Context

1. What happened just before?

e.g., We were playing with blocks, then...

2. Describe the lighting or noise levels

e.g., Bright afternoon light, TV was on low in the background.

3. Any specific triggers noticed?

e.g., A loud siren passed by outside, or a new toy.

Analyze Moment

By clicking Analyze, you agree to our gentle processing guidelines for developmental support.

MOOD TRACKER

Happening Now

10:00 AM — Time for Bubbles!

Focus: Sensory development & hand-eye coordination.

Start Activity

Time	Activity	Category	Action
12:00 PM	Sensory Bin Exploration	Cognitive	[Guide Me]
1:00 PM	Lunchtime Textures	Nutritional	[Guide Me]
2:00 PM	Quiet Corner Reading	Emotional	[Guide Me]
4:00 PM	Stacking Blocks	Motor Skills	[Guide Me]

Calm Down Corner

If your little one is feeling overwhelmed, try 5 minutes of low-light play with soft textures.

Behavioral Tips

Positive reinforcement works best during sensory activities. Use soft words and gentle praise.

Does anyone else's 6-month-old suddenly refuse their afternoon nap? I feel like I'm losing my mind! Tried the 'teddy stretch' but he just giggles.

Found a great trick for picky eaters! We made 'Teddy Bear Pancakes' this morning and for the first time, he finished the whole plate. Highly recommend the recipe in the Journey section!
